## How do I manage my shop from my phone?

**New**: your 123ventes shop now goes wherever you go with the **Ma boutique** app.

## What you can do

- **your sales** for the day, week or month at a glance;
- **all your orders**, with details and delivery address;
- **stock, price and photo** of your products updated in seconds, photo taken with your phone;
- **your customers** one tap away.

## How do I install it?

Open maboutique.123ventes.com on your phone (Android or iPhone) or on your computer, then add it to your home screen. The Android app is also coming to Google Play.

Sign in with your back-office credentials.

## How much does it cost?

The app is part of the **“Mobile app” option (€15 per month)**, to be activated from your back office, **Extensions** screen.

**Learn more**: mobile app overview.
