Domain Management

What are the benefits of hosting on 123ventes.com?

You have nothing to do: we take care of everything.

- **Hosting in France**, included in the subscription;
- **SSL certificate**: your shop runs on HTTPS;
- **updates** of the server and of your shop;
- **regular backups**;
- **99.9% availability**;
- **unlimited products**.

Please note

Your 123ventes site or shop cannot be exported to another platform or another CMS.

We recommend choosing a custom domain: it generally improves your search ranking.
