Subscription and Services

How does the monthly subscription work?

There is only one plan: the subscription gives you access to every feature.

The price

- **29.90 € per month incl. VAT**;
- or **319.90 € per year incl. VAT**, a saving of 38.90 €.

No commission is taken on your sales. And you only pay when you sell: building, testing and opening your shop to the public is free, with no time limit. Your subscription starts with your first order.

What is included

Hosting in France, SSL certificate, support, statistics, unlimited products, built-in payment and delivery methods, newsletter and 1 hour 30 minutes of free support.

Payment and invoices

The subscription is collected automatically by Stripe. Your invoices are available as PDFs in your merchant area. If a payment fails, you are notified; if it remains unpaid, your site is suspended until the payment is settled.
